The Honorable F. Donald Sokol
Presiding Judge Lassen Superior Court
220 South Lassen Street Suite 6
Susanville, California 96130

Dear Judge Sokol:

Please find attached the final report of the Lassen County 2009/2010 Grand Jury. This report is a collective effort put forth by a group of dedicated citizens representing Lassen County. The experience of serving as the Foreperson has been very rewarding and educational to me as well as the other members of the Grand Jury.

During this year the Grand Jury reviewed several governmental agencies within Lassen County, as well as the Lassen County school system. The Grand Jury found the representatives of these agencies to be professional, organized, and very knowledgeable. During these meetings the reoccurring theme was the budget constraints placed upon the agencies due to the current economic conditions. The Grand Jury commends the leadership of these agencies who have managed to get the job done with the resources at hand during these tough economic times.

The Grand Jury takes this opportunity to thank Judge Bradbury for his leadership and guidance with issues which occurred during the beginning of the Grand Jury session. Additionally, we wish him well in his retirement from service as Presiding Judge Lassen Superior Court.

The Grand Jury also thanks Suzie Faulkner, Lassen County Jury Commissioner for her assistance throughout the year. She was instrumental in the success of this year's Grand Jury.

It has been an honor to have served on the Lassen County Grand Jury for the past two years. I am personally proud to have had the opportunity to serve with the other members of Lassen County Grand Jury. Each member dedicated their personal time to insure that Lassen County is fairly represented.

Finally, Judge Sokol, I would like to thank you for your support and guidance. The Grand Jury recognizes the difficulty of assuming responsibility for the Grand Jury as Presiding Judge Lassen Superior Court in mid-term.

Sincerely,

Charles Bolls
Foreman
